

ENVIRONMENTAL POLICY

ISO 14001

“XYZ Limited” is committed to:

- **Caring for the environment and the prevention of pollution.**
- **Operating the business to the environmental systems required by ISO 14001.**
- **Abiding by all relevant environmental legislation and applicable requirements.**
- **Minimising waste, promoting recycling, reducing energy and raw material consumption and reducing harmful emissions.**
- **Working with suppliers to promote positive environmental actions.**
- **Continually improving our environmental performance by setting objective, actions and targets.**
- **Communicating our policy within our organisation and to the public.**

Everyone is responsible for the environmental aspects of the company and for reducing their impact.

Managing Director

Notes

1. This is only an example, each organisation will have its own objectives
2. The environmental policy should be a framework for your environmental objectives
3. You should consider displaying and raising awareness of the policy
4. The policy should be signed by the highest official of the organisation.
